

*St. Michael Arise!*

What do you call the weaponization of law enforcement against the American people, apostate Catholics at the highest ranks of government, the rampant killing of innocents, the annihilation of our sovereign borders...

...and the *deafening silence of Church leadership* in the face of it all?

*A massive spiritual crisis.*

And a spiritual crisis needs a spiritual solution. So we call upon the prince of the Prince of the Heavenly Host:

*St. Michael, Arise!*

Come to the aid of our beloved nation in her hour of need!

## *Our Mission*

In response to this crisis, the *St. Michael Arise!* mission is to promote the recitation of the Church's traditional prayer to the great Archangel who cast the devil out of heaven.

### *Traditional Prayer to St. Michael the Archangel*

St. Michael the Archangel,  
defend us in battle.

Be our defense against the wickedness and snares of the Devil.

May God rebuke him, we humbly pray,  
and do thou,

O Prince of the heavenly hosts,  
by the power of God,

thrust into hell Satan,  
and all the evil spirits,

who prowl about the world  
seeking the ruin of souls. **Amen.**

## *Why We Pray*

In a huge country like ours, there are factors affecting our national life—and *especially our elections*—that are completely beyond the control of the average person. Just to name the issue on everyone’s mind, Voter Fraud.

- **Vote tampering** before and after the counting
- Deliberately unpurged state **voter rolls**
- Non-citizens **voting illegally** in our elections
- **Excess ballots** imported into the vote counts
- Mail-in voting and ballot harvesting **manipulations**
- Malfeasance with **electronic voting machines** that are accessible by hackers and schemers

Malevolent interests, political and otherwise, taint our once sacrosanct voting process, and most of us can do nothing at all to “stop the steal.”

## *Spiritual Factors*

And frankly, there are other degrading factors of a spiritual nature that require a spiritual force of goodness to solve:

- ❖ The awful **blood curse of abortion** that came upon our land in 1973 – just because *Roe v. Wade* has been overturned does not mean the curse is broken.
- ❖ Active forces of **witchcraft and Satanism** that have grown exponentially and have publicly placed themselves on the side of the left in recent elections.
- ❖ The yawning **vacuum of Christian faith** that acts like a magnet for all unclean spirits to enter.
- ❖ And the virtual **absence of spiritual leadership** to guide and teach us the ways of spiritual warfare.

*St. Michael, send your angels to assist our beloved nation in her hour of need!*

## *Other Evils*

Other spiritual problems persist in our populace and need to be addressed spiritually:

- **Mass psychosis** of people who believe literally everything they are fed by the media.
- **Mass delusion** about right and wrong, and the systematic cover up of crimes.
- **Outright exaltation** of wickedness, perversion, and immorality, especially the kinds targeting children.
- **Mass rejection of the Truth** and celebration of deceit, lies, and Hollywood-type illusions and fables.
- **Resorting to assassination** when all other plans fail.

All of these are spiritual—not natural—problems at base. And most of the perpetrators of these evils are the people in charge of our government and cultural institutions.

## ***Where do we go from here?***

It's time to get on our knees and

***Pray! Pray! Pray!***

- Intercession will bring angelic strength into our national weakness.
- Prayer will wake many people up from their spiritual slumber.
- Petitions will protect and defend all that is good.
- Trust in the power of prayer to bring good out of so much evil.

**Then send out this e-book  
and ask others to pray.**

***The rest is in God's hands.***
